GILDA'S CLUB TWIN CITIES

Gilda's Club Twin Cities is a place where people currently impacted by cancer gather, connect, and learn. Your support enables us to provide social and emotional support to men, women, children, and teens - as well as their families and friends. Gilda's Club depends on the support of people like you. An independent and locally funded nonprofit, all our services are delivered free of charge—because the last thing someone dealing with cancer needs is another expense.

OUR PROGRAM

In under 30 minutes, learn how you can make a difference in the lives of those impacted by cancer. Grab your lunch and join us online and we'll bring you hope, humor and inspiration!
